

## Anti-Nadph Oxidase 4 (Nox4) Rabbit Monoclonal Antibody For Wb, If/Icc, Elisa - Q9Nph5

Item Number: CM0006553

### Introduction

Recombinant Rabbit monoclonal antibody against human NADPH oxidase 4 (NOX4) for WB, IF/ICC, ELISA. Validated in human samples. Key tool for oxidative stress, redox signaling, and kidney research.

| Parameter        | Value                                               |
|------------------|-----------------------------------------------------|
| Product Name     | NADPH oxidase 4 (NOX4) Rabbit mAb                   |
| Remarks/Alias    | KOX; KOX-1; RENOX; NADPH oxidase 4 (NOX4)           |
| Species          | Human                                               |
| GenelD (Human)   | 50507                                               |
| GenelD           | 50507                                               |
| Immunogen        | Recombinant protein of human NADPH oxidase 4 (NOX4) |
| Source           | Rabbit                                              |
| Category         | Monoclonal Antibodies                               |
| Application      | WB, IF/ICC, ELISA                                   |
| Cross Reactivity | Human                                               |
| SWISS            | Q9NPH5                                              |
| Protein Weight   | 67KDa                                               |
| Shipping         | Ice bag                                             |
