Parameter	Value
Product Name	Palladin Rabbit mAb
Remarks/Alias	MYN; PNCA1; CGI151; SIH002; CGI-151; Palladin
Species	Human
Gene ID	23022
Immunogen	Recombinant fusion protein containing a sequence corresponding to amino acids 1-100 of human Palladin (NP_001159582.1)
Source	Rabbit
Category	Monoclonal Antibodies
Application	WB, ELISA
Cross Reactivity	Human
SWISS	Q8WX93
Protein Weight	151kDa
Shipping	Ice bag
